3 DAY INTENSIVE

This Intensive is designed to “Wake you up”, in order to be able to recognize your own voice. The Voice one you came here with, the one that is now mingled in with all the other voices in your head. Most people can not recognize their own voice anymore. This leads to a state of on going confusion, inability to make decisions, fear, and leaves us at the mercy of the world. Working with the Yaqui teachings passed on by “ *Los Viehos* ” - “The Old Ones”; you will discover a powerful way to break the Bands of Life; self inflicted limitations, restrictions, reaction, and conditioning. This experience will include both indoor and outdoor Desert experiences.

5 DAY INTENSIVE

This Intensive is a deeper experience into the world of self-discovery. In addition to the Awareness created in the 3 day intensive, you will be given Self-Realizing Tools and taught Ceremony and Rituals that will help you to stay in Balance and maintain a State of Awareness. You will be prepared for a specific “Sacred Ceremony” which will be conducted on Sacred Mountain on the last day of your intensive. Days vary with a Combination of Indoor and Outdoor Desert Experiences, Journaling, Native Crafting -Rattles and Medicine bags, and as needed Sacred Tools. There will be Daily Hands On work and Wisdom Teachings.

7 DAY INTENSIVE

During these extra two days you will be given Specific Methodologies that are particular to the “Individual” in maintaining the rhythm that is necessary to be able to hold my Balance in everyday living. Each Person is different and Unique. Developing the “Impeccability” of the Spirit is the Emphasis of these extra two days. By the conclusion of your intensive you should have a clear vision of your intention for coming to the desert. Again, everyone’s experience will be different because everyone carries a Unique Energy – which I assure you, will become apparent to you during your visit in the desert.

Reminders:

- ★ Days vary with a combination of Indoor and Outdoor Experiences with visits to several Sacred Lands in nature and Medicine Wheel.
- ★ You will be Creating Sacred ceremonial objects and participating in hands on Wisdom Teachings. During your Intensive you will also be making a Medicine Bag and a Ceremonial Rattle, the significance of which will be explained in detail.
- ★ You will be using all of these Sacred Items for ‘your’ Ceremony on Sacred Mountain (in the 5 / 7 Day Intensives) on the last day of your Intensive. This is profound Ceremony of Great Significance, which you will also see.

WHAT TO BRING:

Journal

Water bottle

Anything you feel is needed to be in the sun and outdoor weather that varies in temperature drastically during day and night.

The average daily temperature varies and you can be in the desert for several hours at a time. I am very guided by what happens around you while you are here, that is to say, what happens around you when we go out into the desert. Therefore, these 'signs', will determine the direction we take for the day. You might say that the day is not so much dictated by me, as it is by "Divine Guidance". Most people find this experience rewarding and life changing.

There is plenty of outdoor time, so on hot days light clothing is encouraged, especially in the summer. Sandals and sneakers work just fine. In the winter months it is cooler, so appropriate clothing is of course necessary, but we don't get snow here so daytime temperatures are actually very pleasant. I am happy to explain more about all this in more detail if you so desire.

Layered clothing and sport fabrics are best.

PREP WORK PRIOR TO ARRIVAL

There is “homework” involved before you come out. I will send the homework out to folks once the deposit is received. The homework is required to be completed before coming out and is a series of questions that will create a foundation for the work that we will do. I encourage you to complete this work in private and keeping the work you do to yourself.

FOOD

Please note: Cost for meals are separate and I encourage “community” while you are here. That means that you can share in the preparation of meals here at the house in the mornings, lunch, and evenings. You of course have the option to go out for meals if you desire. There are grocery stores nearby and restaurants for your needs. If you choose to not rent a car then you will be taken to town for a grocery trip upon your arrival.

COMMUNICATION WHILE HERE

During your stay there will be no phone, computer, television, email, radio or news media - this is designed to give Full Attention to detaching from everyday affairs. Only in this way will you be able to become familiar with your own Energy, your own Voice and your Spirit. Your family or loved ones can be given my contact number & email in case of emergency (520-705-6440 or windspirit1@mac.com).

TRAVEL

You will be flying into Sky Harbor Airport in Phoenix. From there you may take a shuttle to my home, about an hour away. If you want the freedom of mobility in the evenings to drive around, you can rent a vehicle in Phoenix. Directions to the house and shuttle information will be provided upon confirmation. Typically shuttle service is \$75 - \$85 one-way. I can arrange to have you picked up at the airport for \$100 round trip.
